### III. Selection Criteria

In choosing finalists, the Scholarship Committee considers the following, in no particular order:

- Financial need
- Academic achievement and scholastic potential
- Commitment to career goals
- Personal qualities

### IV. Interviews

Each finalist will be scheduled for a required 30-minute interview. The interviews will be scheduled during a 2-week period beginning approximately Monday, June 6, 2022. We expect that all interviews will be held virtually using Zoom or Facetime.

Finalists should be prepared to discuss costs and funding and how costs and any gaps in funding were met in 2021-2022, and should know sources of funds such as: family contributions, loans taken (whether parent personal or student), grants, work study, other scholarships, as well as their own contributions.

Finalists will be contacted during the first 2 weeks of June by a member of the Scholarship Committee to schedule a time slot on an interview day. Please look for an **email** during that time period with "**Scholarship Interview**" in the subject line.

After conducting all interviews, the Scholarship Committee will select the scholarship recipients and notify all applicants by early July. The decision of the Scholarship Committee is final.
